Dear Beechwood Parents,

As we come to a close to our fantastic school year, we have had many parents ask us how they can help out for next year, in regards to provisions for the school. Since the school already provides all of the essential school supplies to offer an excellent learning environment for our children, these additional items that we are suggesting can only take the students that much further. Please know that there is no obligation for you to provide these materials.

Beechwood School is second to none when it comes to parent involvement. We are so appreciative to all of you for your continued commitment to the success of the children and the school, as a whole. We are so fortunate to have this great place to send our children to every day!

Have a fun and safe summer and we will see you in August!

Take care,

Megan Newell
PTSA President
